Committee's wavelength...

We created this e-newsletter to share our excitement with you. We'll be using it for maps and instructions just before the event. And we'll be sharing photos through it afterwards so everyone can reminisce about what a great day we had and pat themselves on the back for all the money we raised for this worthwhile cause.

Our heartfelt thanks go to Stickemail for providing the production and distribution of this newsletter pro bono. Like all the other gifts from our supporters, this ensures that all the money we raise goes to helping kids with cancer. Our friends at Stickemail share our belief in creating sunshine through Set Sail for Hope.

Set Sail for Hope with us

Just picture it: a fleet of yachts, from 40 to 57 feet, gliding on Lake Ontario. Now add fabulous food, fine wines and the good feeling that comes from creating a brighter summer for kids with cancer.

That's Set Sail for Hope, Friday June 23 at Hanlan's Point. Again this year, we are raising funds to send kids with cancer to camp. Last year we raised over \$135,000 for Camp Trillium.

We've been able to accomplish this thanks to long-time sponsors like Scotia Capital Inc. and KBSH Capital Management Inc. [link to website sponsors](#)

In recognition for their generous donation of \$6000, sponsors and their guests are wine and dined by some of the finest restaurants in the Golden Horseshoe. [link to website restaurants](#) Because we have no overhead, the recipient we select each year receives all the money.

More about Camp Trillium

Camp Trillium provides free programs for children living with cancer as well as their families. It's raised from private donations, with minimal funding government funding. With 2,700 participants this year, programs include:

- youth and preschool groups during the school year
- a one-week summer day camp in North York, made possible thanks to the friends and family of former committee member Paul Schrieder
- a winter camping program just outside of Ottawa
- a year-round camp at Rainbow Lake near Waterford, Ontario
- summer camp programs at Rainbow Lake and Garratt's Island near Picton
- development of alternative programs for teens, by teens

Camp Trillium registration/donation form:

Visit www.camptrillium.com

The sponsors benefit too, with a great day of fun and an opportunity to wine and dine customers or employees as a reward or incentive.

This year we welcome a new sponsor, also the first who registered for this year, Tasso Eracles of Simerra Property Management Inc. We also thank new sponsors Keith Ambachtsheer and Virginia Atkin for their support.

With each year, the proven value of the event shines brighter. As a result, more sponsors are increasing the number of guests they bring to share in the day. KBSH started the trend and now other sponsors like Rogers Cable, Citibank Canada, CIBC and Bell generously host multiple tables as well.

We are proud to say that all the tables are sponsored for this year's event. In fact, we were sold out by March. All the restaurants have also confirmed, and our fleet of yachts is at the ready. We do appreciate additional donations in any amount from those who care to help the cause. For a donation form click setsailforhope.com/Donation.pdf. Of course, the fun isn't only for the sponsors. All our volunteer organizers enjoy the day too; from the people booking caterers who learn about new epicurean wonders to the skippers who make new friendships on their boats.

Get ready for Friday, June 23 2006

Who else is participating? www.setsailforhope.com

If you'd like to get involved, please contact, to:

Sponsor a table	Christina Carere c.carere@vpcinc.ca
Cater a table	Dianne Eckersley beckersley@sympatico.ca
Provide a yacht	Arthur Boas a.boas@rogers.com
Donate other goods or services	Craig Weekes cweekes@harbourfrontcentre.com
