

SET SAIL FOR HOPE 2010 — **FRIDAY JUNE 18**

Wow... time just marched along in 2009 and **our next event is less than five months away, so do be sure to mark it in your calendars now!**

Many are likely quite thankful that 2009 is well behind us now... but one extremely positive highlight is that

Last year the Set Sail Family
raised almost
\$165,000.00

What an impressive feat for a year of such economic downturn. We are so pleased and grateful for everyone's generous support despite the tough times.

Enabling us to raise such an exceptional amount of money for **Camp Trillium's 25th Anniversary** summer did make a significant impact.

Each table at Set Sail for Hope sent ten Campers to Camp Trillium for a week long summer vacation!

Check out the event photos at our website... there are loads of pictures for both 2008 and 2009. We've organized them for you by category of interest—and they are easy to copy and download! Use this link [PHOTOS](#)

"There was one place, one group of people to whom Charlie wasn't 'cancer', not a pariah - he was a child, he was a friend. That place was and is Camp Trillium. Ignorance has no place there. Prejudice is unknown." Chris Ecclestone

One family has taken the time to share the impact cancer had on their lives, and how Camp Trillium made a difference...

Council Speaker Sandra Bussin Congratulates Set Sail for Hope XXIII

We were honoured to receive the City of Toronto's congratulations and recognition for twenty three years of fundraising for Camp Trillium. Speaker Bussin praised the calibre of the event and the significant contribution it has made to Camp Trillium. Most noteworthy, was that 100% of all money donated goes directly to sending campers to Camp Trillium for a one week retreat. **This year's event put the tally just over the Two Million Dollar mark!**

Speaker Bussin closed by thanking everyone involved with Set Sail for Hope for their dedication and commitment to making a difference in children's lives; and wished us continued success.

We would like to thank Sandra Bussin and fellow Councilor Pam McConnell for their valued support in our success; along with the remarkable logistics effort put forth by the Parks and Recreation staff each year.
